ABOUT THE COLLEGE

Bapatla Engineering College (Autonomous) was established by Bapatla Education Society in the year 1981 and is reckoned for its academic excellence in engineering & sciences. It is a constituent institution of Acharya Nagarjuna University and is one of the best private engineering institutions in the southern region. BEC offers graduate courses in 8 disciplines with total intake of above 1000 students, five post-graduate courses in CSE, CAD/CAM (Mech), PE (EEE), SE (CIVIL) and CESP (ECE). The College is a little away from the din and bustle of Bapatla, a town with a historic and hoary past, about 75 Km. south of Vijayawada on Chennai-Vijayawada rail route. All departments have well equipped laboratories in addition to the common facilities of workshops, central library, state-of-art central computing facility, sports facilities and Innovation Centers that houses research and testing facilities for industrial projects and technology labs to promote inter-disciplinary research activities.

ABOUT THE DEPARTMENT

The Department of Electronics & Communication Engineering is established in 1981 and have experienced, well-qualified, committed and motivated faculty with specializations in various streams. Currently ECE department offers a 4 year Graduate Program (B.Tech) in Electronics & Communication Engineering (ECE) and Post-Graduate (M.Tech.) program in Communication Engineering & Signal Processing (CESP), The Department was accredited thrice by NBA of AICTE and NAAC. The Department is also having IETE and ISTE Student Forums.

ABOUT THE LOCATION

The college is situated at Bapatla on the GBC (Guntur Bapatla Chirala) Road about 75 km from Vijayawada and 50 km from Guntur. It is well connected by air, road and rail.

THEME OF THE CONFERENCE

Bapatla Engineering College, Bapatla has a tradition of organizing workshops, seminars and conferences on cutting-edge technologies in Electronics and Communication Technology.

The Second National Conference on Emerging Trends in Electronics and Communication Engineering (NCETEC) will provide an excellent platform for sharing knowledge and results in theory, methodology and applications of Electronics and Communications. This conference looks for significant contributions to all major fields of the Electronics and Communications in theoretical and practical aspect. The aim of this conference is to provide a platform to the researchers, PG students and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

CALL FOR PAPERS

Original and unpublished review / research papers are invited from research scholars, students, academicians, practicing engineers and scientists for presentation in the multi-disciplinary areas of Electronics and Communication Engineering on the following topics but not restricted to: Advanced VLSI Systems, Signal Processing, Image Processing, Speech Processing, Embedded Systems, Wireless Communication, Wireless Sensor Networks, Network Security, Optical networks, Photonics, Cognitive Radio, Non-Conventional Energy Systems, Pervasive computing, and Soft computing techniques.

PAPER SUBMISSION

Prospective authors are requested to submit a research papers in IEEE two column formats on A4 size paper (Maximum 6 pages) not later than 18th February 2018. Accepted papers will be included in the Conference Proceedings if at least one of the authors registers for the conference.
