SIH-2023 INTERNAL HACKATHON REPORT

Enclosure:

- 1. About the Event**
- 2. Photos of the event organized**
- 3. Judging Process**
- 4. Jury Panel details**
- 5. Nominated teams and participated student details**

1.About the Event

On September 25-26, 2023, Bapatla Engineering College, in collaboration with the Institutions Innovation Council (IIC), organized a two-day Internal Smart India Hackathon 2023. A total of 238 students registered for the event, with 19 teams participating. The organizing committee, following the rules set by SIH-2023, mandated the inclusion of at least one female student in each team, and all teams adhered to this requirement.

The primary objective of the event was to familiarize students with the challenges of both Software and Hardware Editions. The Internal Hackathon aimed to evaluate the solutions proposed by team members for various problem statements provided by multiple Indian organizations and Ministries. This approach allowed students to grasp the complexities of the problems from different perspectives and devise effective solutions. The ultimate goal of the Internal Hackathon was to prepare student teams for the national-level Smart India Hackathon 2023.

Smart India Hackathon 2022 is a nationwide initiative providing students a platform to address pressing issues in our daily lives, fostering a culture of product innovation and a problem-solving mindset. Evolving into the world's Largest Open Innovation Model, SIH tackles crucial problems, earning recognition from the Honorable Prime Minister of India on multiple occasions and contributing to the growth of the hackathon culture in the country. Previous editions of SIH have proven to be highly beneficial.

Dr. Ch. Lakshmi Srinivas, in consultation with Principal Dr. Nazeer Shaik, appointed Mr. M. Lenin Babu, Assistant Professor in the ECE department, as the Single Point of Contact (SPOC). Additionally, two coordinators, Mr. S. Ratna Babu (Assistant Professor, IT department) and Mr. P. Arun Kumar (Assistant Professor, CBDS department), were appointed. Mr. S. Ganapathi Prasad assumed the role of convener for the successful execution of the event.
