

KAKUMANU NAGARAJU

Assistant Professor,

ECE,

Bapatla Engineering College, Bapatla.

Email: nagaraju.kakumanu@becbapatla.ac.in

Biography

Mr. K. NagaRaju completed his masters from Acharya Nagarjuna University in Communications Engineering and Signal Processing in 2014.

His interested research areas are Micro-strip Patch Antennas designing. He worked on various antenna Design tools like HFSS, CST and MATLAB. He is dealing Coding language courses like Programming in C++, Java and Python. He is member of IAENG professional body society.

Selected Publications

1. K Nagaraju, G Mahesh, B.Surendra Babu, “On the Notch band Characteristics of CPW Fed Elliptical Slot Antenna”, in International Conference SCI-2018 on SMART COMPUTING AND INFORMATICS(SCI-2018), PVP SIDDHARTHA INSTITUTE OF TECHNOLOGY during 27th and 28th January -2018.
2. Dr M.V.S.PRASAD, K.NAGARAJU, had published a paper on "Computational studies on Rectangular micro strip patch antenna" in “International journal of Electronics and communications and computer Engineering”, Volume 5, Issue 5, ISSN (Online):2249-071X, ISSN (Print):2278-4209
3. Dr M.V.S.PRASAD, K.NAGARAJU, had published a paper on "Computational studies on Rectangular micro strip patch antenna" in “International journal of Electronics and communications and computer Engineering”, Volume 5, Issue 5, ISSN (Online):2249-071X, ISSN (Print):2278-4209
