

Mahesh Gatram

Assistant Professor

ECE

Bapatla Engineering College, Bapatla.

Email: gmahesh033@gmail.com

Biography

Mr G. Mahesh received his M.Tech degree from R.V.R & J.C College of engineering in Communication Engineering and Signal Processing during the academic period 2012-2014, Guntur with CGPA of 9.1

Area of Interest: Antennas

Selected Publications

1. Published a paper on “Design of Multiband Triangular slot Rectangular Patch Antenna using CST”, by G.Mahesh in IJETSR, Volume5, Issue 3, March- 2018.
2. G Mahesh, B.Surendra Babu, K Nagaraju “On the Notch band Characteristics of CPW Fed Elliptical Slot Antenna” in International Conference SCI-2018 on Smart Computing and Informatics, PVP Siddhartha Institute of Technology during 27th and 28th January-2018.
3. Published a paper on “Investigation on Effect of Height over an Antenna Performance”, by J.Ravindranadh1, G.Mahesh2 in International Journal of Research in computer and Communication Technology, Vol 3, issue 6, june-2014.
