

Mr. KISHAN CHAND KOPILA

Assistant Professor

Computer Science and Engineering

Bapatla Engineering College, Bapatla.

Email : kishanchand.kopila@becbapatla.ac.in

Biography

Mr. K. Kishan Chand, pursuing his Ph.D in WSN field from Computer Science & Engineering department, JNTUK Kakinada. He is qualified NTA UGC NET and APSET. He obtained his M.Tech in Computer Science & Engineering, awarded in 2010, JNTUK, Kakinada. He has total of 10 years of teaching experience. In present Institution he is working since July, 2009. His interested areas are Wireless Sensor Networks (WSN) and Network Security. He published 1 paper in international journal, 1 international and 2 national conference papers presented.

Selected Publications

1. “Modeling and Analysis of Transmission control Protocol Performance in Stream- Based Merge Networks”, International Journal of Advances in Science and Technology (ISSN: 2229-5216), vol.3, No.3, September 2011, pp. 115-130.
2. “Optimized Energy Efficient Routing Protocol for Life - Time Improvement in Wireless Sensor Networks”, IEEE – INTERNATIONAL CONFERENCE ON ADVANCES IN ENGINEERING, SCIENCE AND MANAGEMENT, March 2012, pp. 345-349.
3. “Secure Two-Server Authenticated Key Exchange against Dictionary Attack”, National Conference on Emerging Trends in Computer Science (NCETCS-2K15), July 2015.
4. “A Basic Method for Fast Re-Route: Loop Free Alternative”, National Conference on Emerging Trends in Computer Science (NCETCS-2K15), July 2015.
