

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

Members of the BOS in Electronics and Communication Engineering have met in the chambers of the Head of the department, ECE on 20/07/2018 (Friday) at 10.00 AM and discussed the framework of revised scheme and structure for B.Tech Electronics and Communication Engineering for 2018 batch onwards. The following are the suggestions given.

1. It is **proposed** to have 160 credits for the course
2. Physics-II and Chemistry – II are to be removed in the second semester and may combined with first semester.
3. It is **recommended** to remove the Workshop in sem II
4. It is **proposed to** shift basic instrumentation subject from IIIrd semester to IInd semester in place of Physics - II.
5. It is **proposed** to introduce programming using C++ in second semester in place of Chemistry – II
6. It is **recommended** to change the title of Engineering Mathematics III as Complex Variables and Special Functions.
7. It is **recommended to** change the title of Engineering Mathematics IV as Probability and Statistics.
8. It is **proposed to** shift Electromagnetic Field Theory subject from IVth semester to IIIrd semester in place of Basic Instrumentation Subject.
9. It is **proposed to** shift EM Waves and Transmission Lines subject from Vth semester to IVth semester in place of Electromagnetic Field Theory subject.
10. It is **Proposed to** introduce Engineering Economics and Accountancy subject in Vth Semester.
11. It is **Proposed to** introduce Real Time Operating Systems subject in VIth Semester Electives.
12. It is **Proposed to** shift Mobile Communications Theory and Lab from VIIIth Semester to VIIth Semester .
13. It is **Proposed to** move Digital Image Processing and Satellite Communications subjects in VIIth Semester Elective III.
14. It is **proposed to** remove 4 subjects in VIIIth Semester and introduce only 2 subjects namely Elective IV and Elective V.
