BAPATLA ENGINEERING COLLEGE:: BAPATLA (Autonomous)

Discussion on Planning for the activities to be conducted for the academic year 2021-2022.

1. A proposal to AICTE, to introduce a new UG program of Artificial Intelligence in our college as a part of the institutional goals to expand and excel.
2. To motivate the faculty to publish research papers in free Scopus indexed/Web of sciences Journals with the help of Seed money / Incentives.
3. To promote entrepreneurial skills in students by organizing Workshops, Seminars, Hackathons on Entrepreneurship through CIIE.
4. Due to Covid-19 pandemic online classes were conducted. Several rural areas are not covered under proper communication networks. To benefit those students who are living in those areas, planned rapid offline classwork before the final exams.
5. To accommodate the additional courses (Cyber Security & Data Sciences), proposal for construction, additional renovation and repairs of infrastructure, to the Management.
6. Proposal for the revised and updated academic calendar to accommodate the entire planned academics, T&P training and other co-curricular activities. (Workshops, competitions etc.).
7. Proposal to include alumni employed in industries, in placement related activities, to improve student soft skills which results in more placements.
8. Industrial exposure to students and faculty members should be improved through industrial visits, consultancy services to industries, collaborative research program and other areas of mutual benefits.
