

BAPATLA ENGINEERING COLLEGE :: Bapatla
(Autonomous)

Student Welfare Committee:

Meeting held on 26.08.2021.

Resolution:

The members of the committee discussed on the various concerns of the students studying in the college and living in the hostels surrounding the college. The committee has visited the hostels with which the college has entered into the MOU. The committee has examined the living conditions, amenities provided by the managements of hostels to the inmates. The members of the committee have given the following suggestions to the managements of the boys' hostels.

1. Suggestion box is to be provided in hostel which is to be opened every one-week and suggestions and complaints must be taken care immediately.
2. Wearing gloves and aprons by the staff working in the kitchens of the hostels.
3. Providing CC Cameras in the corridors and lobbies of the hostels.

Student Welfare Committee:

Meeting held on 06.01.2022.

Resolution:

The members of the committee discussed on the various concerns of the students studying in the college and living in the hostels surrounding the college. The committee has visited the hostels with which the college has entered into the MOU. The committee has examined the living conditions, amenities provided by the managements of hostels to the inmates. The members of the committee have given the following suggestions to the managements of the boys' hostels.

1. Students are advised to keep away alcoholic drinks and all kinds of drugs. If they happened to find any drug peddlers immediately to inform the police authorities.
2. Managements of hostels are required to make available medical assistance to the students.
3. The inmates shouldn't invite outside people to any parties and celebrations conducted in the hostel premises.
