REPORT OF CANTEEN COMMITTEE

Submitted to Principal:-

The Committee with a faculty and two student members from each department met on 26/10/2021 in the BEC Canteen at 11.00 AM. The committee discussed several points for the improvement of canteen facilities and to attract more students. The following suggestions are made by the members.

1. Separate counter to be established for ladies and faculty at the old canteen to provide privacy and avoid rush
2. Outside items such as pastry, cakes, biscuits, cool drinks etc should be available in the canteen to attract more people
3. Token selling counters to be increased and should be available at the canteen entire day. Digital payment facility such as Google pay, phone pay, paytm should be provided at canteen to avoid rush and increase flexibility in system
4. At least four most items should be available in the interval time with sufficient quantity.
5. Student suggested items are one rice item, every day bonda, puri, chapathi, one dosa item every day idli, bajji one special item every day
6. Menu may be fixed/made based on the availability and by taking suggestion time to time
7. Establishment of Xerox cum stationary counter near to canteen will be more beneficial to students

Thanking you,

Your's Faithfully,
