Research and Development (R&D) - Report

Research committee members (RCM) meets twice in an year and reviews various research activities in the institute and suggest plan of action to improve R&D activities. It guides on various ways and means to create research culture in the institute. In addition it identifies thrust areas, current research directions and research funding opportunities. To oversee the quality of research and publications of the faculty members a research committee is constituted comprising of Principal, Convener and all the Heads of the departments.

Key functions of the research committee are to:

- Encourage the organization of more seminars/ conferences/ workshops in the thrust areas
- Increase the number of research publications in respected Journals
- Conduct motivational lectures by inviting experts from premier Institutions enabling faculty to write research proposals/quality research paper.
- Apply for research funding to different agencies.
- Subscribe additional journals upon request.
- Motivate faculty to register for Ph.D.in premier Institutes.
- Monitor the progress of the Ph.D. work by having periodic review
- Prepare way forward statement for the faculty having Ph.D.
- Identify department wise thrust areas and invite researchers from reputed institutes.
- Motivate students to design projects for outside participation.
- Incentivize the publications of faculty who publish their papers in respected journals and present their papers in reputed national and international conferences.
- Encourage faculty for pursuing Ph.D. under QIP at premier Institutes.
- Establish research center recognized by the affiliating university in each department.

Impacts:

- Quality publications of 20-25% have been increased and an ecosystem is gradually building up in the direction of research.
- Motivational talks, consultation with experts from R&D organizations & various other premier institutes has resulted in applying some proposals to various funding agencies and receiving funds.
- 111 faculty members are registered for Ph.D. enrolment, which has been on the upswing direction and has created a research ambience in the campus. Periodic review enables the submission of thesis to greater height.

ORDERS OF PRINCIPAL
CIRCULAR - I

Sub: Proposals for strengthening the **Research** activities by the faculty – reg.

Ref: Letter dt.31-10-2018 from Dr.P.Sundara Kumar, convener (R&D)

1. Every department conducts Research meetings once in a month (Monday/ Wednesday- 3rd session).
2. The Research coordinators of each department must maintain the record of minutes of research meetings.
3. It is the responsibility of the HODs to ensure that Research meetings are conducted regularly.
4. it is suggested that the faculty can present the research work, the recent published work and discusses the projects and also the funding opportunities in the research meetings.
5. It is also suggested to form the research groups within the department/interdepartmental. These research groups meet on weekly basis which helps to promote the research.
6. The minutes of department research meet must be submitted to the convener R&D every month for suggesting the necessary measures towards the strengthening of the research papers and research proposals.
7. It is requested that all the HODs should encourage the faculty to register to Doctoral programme.
8. It is requested that all the HODs should encourage the faculty to register to the Google scholar.
9. All the faculty members should write a paper and prepare project proposal to submit for funding for different agencies for this academic year (2018-2019).
10. Faculty are also hereby requested to improve their research profile by publicizing their articles in various domains like Research Gate, Mendley reference manage: etc. which increases their citation index and establishes collaborative research with various institutes.

All the HODs are requested to ensure that this information is brought to the notice of the faculty, scholars and students within their departments.

This order shall come into force with immediate effect.
