Dr. PSV Vachaspati

Professor

Computer Science and Engineering

Bapatla Engineering College, Bapatla.

psvvachaspati@gmail.com

Biography

Dr. PSV Vachaspati , obtained his Ph.D in Computer Science & Engineering, awarded in 2016, Andhra University, Visakhapatnam. A total of 20 years of teaching experience. In present Institution he is working since May, 2000. In this tenure he filed one Patent at Indian Patent office. He published 10 papers in international journals and 3 conference papers . He successfully completed a UGC Project.
