

Bapatla Engineering College :: Bapatla

(Autonomous)

APPLICATION FOR HONORS DEGREE **(2025-26)** **IV SEMESTER**

Date:

1. Name of the Candidate :
2. Register Number and Branch :
3. CGPA obtained up to III Semester :
(Enclose Xerox copies of marks memos)

S.No.	Passed all the subjects in single attempt(Yes/No)	B.Tech/ Lateral Entry*	Month and Year of Passing	CGPA up to III Semester
01		Semester I		
02		Semester II		
03		Semester III		

*For Lateral entry students, furnish the CGPA obtained in III Semester of B.Tech.

4. Student Mobile No. :
5. Parent Mobile No. :
6. Undertaking by the Candidate: I have read the guidelines for Honor Degree, and I will abide by the same

SIGNATURE OF THE CANDIDATE

Signature of the Mentor

Signature of the HOD

**Signature of the
Principal**

Guidelines for the Honor Degree

The objective of introducing B.Tech (Honors) is to facilitate the students to choose additional specialized courses of their choice and build their competence in a specialized area in the UG level. The programme is a best choice for academically excellent students having good academic record and interest towards higher studies and research.

Honors is introduced in the curriculum of all B. Tech. programs offering a Major degree and is applicable to all B. Tech (Regular and Lateral Entry) students admitted in Engineering & Technology. Students are eligible to opt for Honors program offered by the same Department / Discipline.

- a. Students who are desirous of pursuing special interest / advanced areas of their discipline of Engineering may opt for additional courses as part of Honors programs offered by the parent department.
- b. The BOS concerned shall identify as many tracks as possible in the areas of emerging technologies and industrial relevance / demand.
- c. A student shall be permitted to register for Honors program at the beginning of 4th semester provided that the student must have acquired a minimum of **7.5 CGPA** up to the end of 3rd semester without any backlogs. A CGPA of 7.5 must be maintained in the subsequent semesters without any backlog to keep the Honors registration active.
- d. A student must earn additional 16 credits for award of B.Tech. (Honors) degree from the same branch / department / discipline registered for Major degree. This is in addition to the credits essential for obtaining the Undergraduate degree in Major discipline (i.e., 160 credits for regular students and 121 credits for Lateral Entry students). The concerned BOS shall finalize the modalities to earn the above credits.
- e. For securing the above additional 16 credits, the students must register and complete three courses of 4 credits each offered by the department concerned. These 3 courses must contain a laboratory component also (i.e. Embedded course having three lecture hours and two practical hours). The balance of 4 credits may be secured through two MOOCs courses of 2 credits each or an embedded course offered by the department.
- f. Courses that are used to fulfil the student's primary Major may not be counted towards the Honors.
- g. The student registered for Honors shall pass in all subjects that constitute the requirement for the Honors program. No class / division (i.e., second class, first class and distinction, etc.) shall be awarded for Honors program.
- h. If a student drops or is terminated from the Honors program, the additional credits earned so far cannot be converted into open or core electives; they will remain extra.
- i. In case a student fails to meet the CGPA requirement for B.Tech degree as per clause 16.c or drops (or terminated) from the Honors program, he/she will be dropped from the list of students eligible for degree with Honors and they will receive B.Tech degree only. However, such students will receive a separate grade sheet mentioning the additional courses completed by them
- j. The Honors will be mentioned in the Major degree certificate only as Bachelor of Technology (Honors). No additional degree certificate will be given for Honors.
- k. Transfer of credits from Honors to regular B. Tech degree and vice-versa shall not be permitted.
- l. Honors is to be completed simultaneously with a Major degree. A student cannot earn the Honors after he / she has already earned bachelor's degree
- m. The documents for registration of Honors are available from the departments and college website.
