A Report on One Day Seminar on “NBA Accreditation Process and SAR Preparation” conducted on September 7, 2023.

The one-day seminar on "NBA Accreditation Process and SAR Preparation" was conducted successfully on September 7, 2023. The resource persons are Dr. K Lakshmi Prasad, Director , BVR Institute of Technology , Hyderabad, A renowned expert in accreditation processes and educational quality assessment and Dr. J Girish , Chairman , Governing Council, GMR Institute of Technology , Rajam who was an expert in academic quality improvement and assessment methodologies. This event was organized to provide valuable insights and guidance on the National Board of Accreditation (NBA) accreditation process and the preparation of Self-Assessment Reports (SAR). The seminar was attended by a diverse group of academic stakeholders, including Heads of Departments (HODs), Deans, Associate Deans, NBA Coordinators, and the entire faculty.

The seminar was conducted in two distinct modes to cater to the needs of different academic stakeholders. The morning session have the active participation of HODs, Deans, Associate Deans, and NBA Coordinators. During this session, Dr. K Lakshmi Prasad and Dr. J Girish delved into the intricacies of the NBA accreditation process. They provided valuable insights into the criteria and guidelines set by the NBA for accreditation, emphasizing the importance of quality enhancement in higher education institutions. Participants were engaged in discussions and workshops aimed at clarifying doubts and facilitating a comprehensive understanding of the accreditation process. The Afternoon Session was open to the entire faculty of the institution. Dr. K Lakshmi Prasad and Dr. J Girish delivered informative presentations on Self-Assessment Report (SAR) preparation, a critical component of the accreditation process. They guided the faculty through the process of compiling SARs,

emphasizing the need for accurate documentation and evidence-based reporting. This session provided faculty members with practical insights and tools to actively contribute to the accreditation process. Finally, The Management facilitated the resource persons.

The one-day seminar on "NBA Accreditation Process and SAR Preparation" was a resounding success, with active participation from various academic stakeholders. The event served its purpose of equipping attendees with a deeper understanding of the NBA accreditation process and SAR preparation, which are integral to the institution's pursuit of academic excellence.

We would like to express our sincere gratitude to Dr. K Lakshmi Prasad and Dr. J Girish for their invaluable contributions as resource persons. Their expertise and guidance were instrumental in making this seminar a valuable learning experience for all participants. We also extend our appreciation to the Principal, Deans, Associate Deans, Heads of Departments, and IQAC team members for their efforts in coordinating and facilitating this seminar.

Overall, the seminar has strengthened the institution's commitment to quality assurance and continuous improvement in education. We look forward to applying the knowledge gained from this seminar as we work towards achieving and maintaining NBA accreditation standards.

(Dr. P. Sundara Kumar)
