

Bapatla Engineering College

IPR/ Conferences/FDPs/funded programs organized (2019-2024)

S.No.	Program	Dates	Funded by
R & D Cell			
1	A Two-day online FDP on Scientific Contribution of Academic Institutions in the Development of IPR	09-10 October 2023.	BEC
2	A Two day workshop on Research methodologies and scientific publishing,	28 th -29 th October 2022	BEC
3	A webinar on Intellectual Property Rights: Strategic Role of Academic Institutions	02-09-2022	BEC
Chemistry			
4	Synergies in Chemistry, Material Sciences & Quantum Computers (SCMQ-2024)	29-31 st Jan2024	BEC
5	Recent Trends in Chemical, Pharmaceutical & Material Sciences RTMPS-2020)	13-14 th Mar 2020	BEC
ECE			
6	International Conference on Communications, signal Processing & Computing (ICCSPC-2023)	17-4-23 to 18-4-23	BEC
7	Recent advances in Antennas for Wireless Communications	27-7-2021 to 31-7-2021	BEC
8	Recent Trends in Next Generation Communication Technologies	16-08-21 to 20-08-21	BEC

9	National Conference on Communications & Computing	28/29-07-2020	BEC
10	Research Trends in Deep learning and Communication Networks	28-6-2021 to 30-6-2021	BEC
11	Future Outlooks of Advanced Communication and Signal Processing	25-05-2020 to 29-05-2020	BEC
EEE			
12	A Three Day Hands on Training Program on "PCB Design and Fabrication".	28-07-2022 To 30-07-2022	BEC,Bapatla
13	One-Week Online Sttp on "Design, Implementation of Electrical Systems Using Matlab".	03-01-2023 To 07-01-2023	Free
14	Two Day Workshop on "Research Report and Article Writing Using Latex Software"	17-03-2023 To 18-03-2023	Free
15	A Three-Day Workshop on "New Trends in Electrical Power Systems"	01-05-2023 To 03-05-2023	BEC,Bapatla
16	A One Week Sttp on "Electrical CAD Design"	26-06-2023 To 01-07-2023	BEC,Bapatla
17	Two Week Online Short-Term Training Program on Emerging Technologies in Electrical Vehicles	02-08-2021 To 14-08-2021	Free
18	one week online STTP on Soft Techniques and its applications in Electrical Systems	14-03-2022 To 17-03-2022	Free
19	A Five Day Online FDP on " IOT and Smart Device Applications in Green Technologies and Electrical Vehicles"	24-08-2020	Free

20	AICTE Sponsored E-conference on "system modeling and Dynamics(NCSMSD-2020)"	24-08-2020 To 28-08-2020	AICTE
21	One Week Short Term Training Programme on "Applications of Soft Computing in Electrical Engineering"	15-03-2021 To 20-03-2021	Free
22	workshop on Challenging Avenues and research on fuel cell operated electrical vehicle retrofiting	06-01-2020 To 10-01-2020	BEC,Bapatla
23	workshop on A Three module Trainings in MOU with HIEE	11/12/2020 to 12/12/2020	Free
24	workshop on "Technological Advances in Power Switching Converters for Renewable Energy Sources and Fuel Cell Technology for E-vehicles"	01-06-2020 To 05-06-2020	BEC,Bapatla
25	A National level Quiz on " Electical Vehicle Technology"	16-06-2020 To 18-06-2020	Free
English			
26	1 Week Online FDP on Communication and Management Skills at Workplace organized by Department of English in association with IIT Guwahati Assam	14-19 March, 2022	Bapatla Engineering College
27	1 Week FDP on Mentoring Pedagogy & Teaching for Higher Education organized by Department of English in association with IIT Guwahati Assam	3-10 August, 2020	Bapatla Engineering College
28	Two Day Workshop on Managing Difficult Conversations and Influencing organized by Department of English in association with ISTE	8-9 February, 2020	Bapatla Engineering College
Mechanical Engineering			

30	2 nd International conference on Mechanical Engineering and Emerging Technologies" (ICMEET-2023)	3 rd & 4 th March 2023.	BEC
31	1 nd International conference on Mechanical Engineering and Emerging Technologies" (ICMEET-2022)	22-04-2022 to 23-04-2022	BEC
32	International Conference on Mechanical, Materials and Energy Engineering (ICMMEE 2021)	07 th -08 th May 2021,	BEC
