MEMORANDUM OF UNDERSTANDING

between

SPYPRO SECURITY SOLUTIONS PVT. LTD., Vijayawada, Andhra Pradesh

and

DEPARTMENT OF ECE, BAPATLA ENGINEERING COLLEGE, BAPATLA, A.P.

This Memorandum of Understanding (MOU), while not a legally binding document, does indicate a voluntary agreement to assist in the implementation of the plans described in the "MOU" a substance which help the students for their career guidance.

The main agenda is to provide training, internships, industrial visit, sharing the technology, doing consultancy work on mutual time bounded agreement. The Department of Electronics & Communication Engineering will be functioning on the activities related to increase knowledge and Employability skills of students by organizing events which are related to career development of students.

Overall Goals, Services and Outcomes of MOU: Very brief program overview

- **Organization / Industry** will be helping college to set-up and initiate above said activities at the college.
- The College will provide a Single Point of Contact (SPOC) for the above-mentioned activities to assist students such as sharing technology or doing any consultancy work, among other things.
- **Organization/Industry** will help students with resume support, Career guidance support by online portal/offline mode based on University/College requirements.

Outcomes of this MOU are to help students in enhancing their skills and helping them to reach out companies. Finally all the activities will play a key role to create internships, training to our students on industry needs. It is therefore considering the mutually advantageous to develop a platform where students will be benefited by collaboration between the two bodies for five years from the date of MOU.
