CONTROLLER OF EXAMINATIONS

15-05-2023.

Important Note to Y19/L20 Batch Students

Sub.: PC eligible and non-eligible list – Y19/L20 Batch – Submit pending data.

For **Y19/L20 Batch** students, the final result data is compiled and the degree eligible list of students and non-eligible list of students is placed in the college website.

In the **eligible list**, students are advised to go through data (name, father name, photo, marks, CGPA etc.) keenly and if any corrections are needed, they should personally visit COE office on or before 18.5.2023 and get the corrections done in your presence. Failing which and if any correction needed at a later date, student shall be responsible for the delay and financial implications at Acharya Nagarjuna University for change of certificates.

The **non-eligible list** is based on the non-fulfillment of following data / information.

1. Pending backlog subjects.
2. Pending MOOCs and / or Internship information to COE office.
3. The students who have not submitted the photos as per the specification given ((soft copy of **latest** passport size photo (smart phone generated copies are not acceptable) saved as Regd. No. jpg (example 'Y18ACS401.jpg') for printing in the Original Degree, size below 20 KB)). For such students ANU will not print the Original Degree certificates. Student has to approach ANU at his own cost (through BEC Principal) for getting his original degree.
4. The students who have not cleared the dues as given by the departments and Administrative office. If these students get their clearance from the departments and Administrative office by 18.5.2023, their data will be sent to ANU for processing their final certificates. If not, for these students it may take 3-6 months' time to get their certificates.

For submission of the above data or any clarifications needed, Student has to personally come to COE office and submit the correct data for changes to be done on or before 18.5.2023. Failing which and if any correction needed at a later date, student shall be responsible for the delay and financial implications at Acharya Nagarjuna University for change of certificates.
